

Application No. 10/699,453
Reply to Office Action of May 25, 2005

Remarks

With the entry of the amendment only claims 4 and 5 are pending. Claims 1-3 were previously canceled; claims 6-16 are newly canceled, all without prejudice. Claims 4-5 of the application were allowed by the examiner. The undersigned representative reviewed the allowed claims 4 and 5 and thought the claims would be clarified by removing seemingly inconsistent references to three different forms of connective phrases ("including", "further comprising" and "characterized by") as well as by making other claim language ("light") more accurately track antecedent language ("light source") in the claim. No new matter has been added to the application by the amendment and amended claim 4 is substantively the same as previously allowed claim 4.

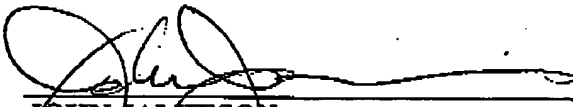

Consideration and entry of the Amendment and allowance of the application and the remaining claims 4-5 are respectfully requested.

Respectfully submitted,

STEPHEN WEISS *et al.*
